Identity & Compliance

Travel Rule: Policies

Changing your Travel Rule policy

Note

The Travel Rule integration is a premium, opt-in feature that requires an additional purchase. [Contact your Customer Success Manager](#) for more information.

1. Go to **Settings > Compliance > Travel Rule**.
2. Select **Change policy**  for the policy you want to change.
3. Upload the .csv file with your new policy, and select **Upload policy**.
4. Fireblocks Support will review your policy and reach out to you with any questions they have.
5. Once approved, Fireblocks Support enables the new policy in your workspace, and you can view it in your Console.

 Notabene

Change travel rule screening policy

Upload a policy file to replace your current policy. The new policy will be implemented after it is processed by the support team.
