Linked users - Fireblocks mobile app

Updated 1 year ago

The Fireblocks mobile app can link multiple users and workspaces. Within the app, the Linked Users screen allows you to view, add and delete users and workspaces linked with the device.

View all linked users

1. Open the Fireblocks app on your mobile device.
2. Tap the menu button in the top right corner of the app screen.
3. Select **Linked Users**.
4. All users and associated workspaces are listed.

Link a new user and workspace

For more information about pairing users and workspaces, see [User Setup](#).

1. Open the Fireblocks app on your mobile device.
2. Tap the menu button in the top right corner of the app screen.
3. Select **Linked Users**.
4. Tap the + symbol in the top right corner.
5. Verify your PIN code.
6. Scan the QR code presented in the Fireblocks Console.

Remove a linked user

1. Open the Fireblocks app on your mobile device.
 - a. If you use an Android device:
 - i. Tap the menu button in the top right corner of the app screen.
 - ii. Select **Linked Users**.
