Travel Rule: Policies

Travel Rule policy templates

Note: This is a premium feature that requires additional purchase and enablement by Fireblocks Support. If you're interested in this feature for your workspace, contact your Customer Success Manager.

Before you begin

Read the [Travel Rule Transaction Screening overview](#) before configuring your policies. If you have questions, [contact Fireblocks Support](#).

Download and complete a template

Download a template below and read the instructions on the **Instructions** tab. Enter your workspace name at the top of the sheet.

When updating an existing policy, include all existing policy rules and the new rules in your file. Highlight any new or changed rules and ensure they're in the correct order.

After completing the template, upload your policies to the Fireblocks Console.
