View the Gas Station's current balance

Updated 3 days ago

Newer workspaces use Gas Station 2.0

If your workspace was created in January 2024 or later, refer to the [Gas Station 2.0 setup documentation](#).

To view the Gas Station's current balance:

1. In the Fireblocks Console, select **Whitelisted Addresses** on the navigation panel.
2. Search for **Gas Station Wallet**.
3. Select the Gas Station Wallet to open it and view all available assets and asset balances.

Transfers from the Gas Station to vault accounts appear on the Recent activity panel and in your Transaction History with the Gas Station listed as the source.

Transfers from the Gas station are sent using the medium preset transaction fee level.
